

## Who we are

- Young Irish SME (Est. March 2017)
- **Multidisciplinary team** with professional backgrounds in scientific research, education, business, graphic design and communication
- Over 60 person years worth of **experience in EC funding programmes**
- Specialise in **bridging the gap from science to policy, industry and society:**
  - ✓ Funding identification, mapping and procurement
  - ✓ Knowledge management and transfer (*including value creation, exploitation, impact measurement, dissemination and communication*)
  - ✓ Training
  - ✓ Stakeholder Engagement

**David  
Murphy**

**Georgia  
Bayliss-Brown**

## Experience and Interests

- Designed and successfully coordinated **two flagship EU-funded projects** developing new knowledge transfer methodologies and the tangible transfer of EU research results: MarineTT (FP7; <http://www.marinett.eu/>) and COLUMBUS (H2020; <http://www.columbusproject.eu/>).
- Previous experience in **advanced manufacturing, medical devices and biotechnology** and therefore interested in calls such as:
  - Open Innovation Test Beds (IA), *e.g. DT-NMBP-04/05/06-2020*
  - Biotechnology (IA/RIA), *e.g. BIOTEC-06/07/08/09-2020*
  - Circular economies in processing (IA/RIA), *e.g. SPIRE-01/07/08/09-2020*
  - Innovative materials (IA/RIA), *e.g. LC-NMBP-28/31-2020*
  - Med tech (RIA), *e.g. DT-NMBP-23-2020 and NMBP-21-2020*

## Offering

- **Impact Partner:** We devise best practice work packages, and responses to *Section 2* of application form, related to dissemination, communication, knowledge transfer, exploitation and impact measurement.
- **Stakeholder Engagement:** Experts at designing and organising a variety of events focused on bringing together multi-stakeholder groups to exchange and collaborate, usually between 10-200 participants.
- **Proposal Writing:** We partner with research consortia to design projects that make a difference.
