

Innovate
UK

EUREKA

The world's largest network for international co-operation in R&D and Innovation, present in over 40 countries

A programme of support for innovative UK companies to go global

Innovate UK supports UK businesses to go global in activities that will help their growth and may also help solve global challenges in partnership with other countries. We do this through an ever-evolving toolkit of support.

Innovate
UK

EUREKA Instruments

EUREKA NETWORK PROJECTS

enable bottom-up bilateral and multilateral projects between any country in the EUREKA Network in any area.

EUREKA EUROSTARS

enables collaborative projects (2 cut off dates per year) in any area with projects led by Small and Medium Enterprises (SMEs).

EUREKA CLUSTERS

are industry driven public-private partnerships which build communities and convene projects between SMEs and large industry in specific technology and market areas.

EUREKA GLOBALSTARS

calls enable collaborative projects between any country in the EUREKA Network and countries outside the EUREKA Network in any area.

SMEs in the driving seat

**SME is always
the project leader**

A typical Eurostars project is...

3-4
participants

2-3
countries

average duration
30 months

average project cost
€1.4 million

UK Eligibility

- In the UK, only SMEs are eligible for funding.
- The project must be led by a research-performing SME, one that:
 - invests 10% or more of its turnover into research, or
 - has 10% of its full-time equivalent staff working on research activities, or
 - has 5 or more full-time staff working on research activities, if the SME has 100 or fewer employees, or
 - has 10 or more full-time staff working on research activities, if the SME has more than 100 employees.
- UK subcontracting is capped at 20% of the UK partner eligible costs.
- You must follow:
 - the [Eurostars eligibility criteria](#) and
 - The Innovate UK criteria, including the competition application, deadline and throughout your project.
